NEWS RELEASE

Fatal Accident

Denison, Texas (June 25th, 2024) – On Monday, June 17th, 2024, at approximately 9:45 PM, Denison Police responded to a multi-vehicle accident with injuries in the north bound lanes of the 2700 block of S. Hwy 75. Upon arrival, witnesses advised a black Ford F150 appeared to be having mechanical issues while driving north bound. This caused other vehicles traveling north bound to change lanes. During this timeframe, a Ford F250 rear ended a white Ford Explorer causing it to spin into the right lane where it then made contact with a semi. After colliding with the white Explorer, the Ford F250 drove through the grass median and down the concrete siding of the highway overpass to Loy Lake Road under the overpass.

Five occupants in the Explorer were transported to a local hospital. Two juveniles in the Explorer were subsequently flown by air ambulance to a metroplex hospital with serious injuries. It is with deep sorrow that the Denison Police Department announces the tragic death of one of the juveniles involved in the fatal accident who succumbed to their injuries on Sunday, June 23, 2024.

Denison Police are currently conducting a thorough investigation to determine the circumstances leading to the accident and we urge anyone who may have witnessed the accident or has any information to contact the Denison Police Department at (903) 465-2422.

Our thoughts and prayers are with the family during this incredibly difficult time.
